Oualil Mbarek · 王小兴

Business Administration student at HIT Shenzhen · Live-commerce & TikTok · Multilingual (Arabic · French · English · Chinese)

oualilmbarek18@gmail.com | Shenzhen, China · Agadir, Morocco

About Me

A motivated and adaptable Business Administration student in Shenzhen with 2+ years of live-streaming experience, including TikTok live selling, together with video editing, digital marketing and more than two years of language teaching. Guided by the principle that "with organization, rigor, and the requirement of a job well done, everything is possible," I seek opportunities that combine my multilingual abilities, my e-commerce experience and my technical background to contribute meaningfully to a forward-thinking team.

Education

Harbin Institute of Technology in Shenzhen (HITSZ) · 2023 – 2027

Bachelor of Business Administration (Transferred from Computer Science & Technology after 2 years)

- Top 5 Best Universities for Engineering in China — 2023 U.S. News Ranking
